At Highland Cabinetry, we believe that no matter what your goal is, buying high-end, wholesale cabinets at an affordable price shouldn't be out of reach. Our all-wood products are of the highest quality and we offer an array of beautiful styles, colors, and finishes that will suit your project.

Highland Cabinetry is new to the Florida area, specifically the South West and South East areas. Both coasts are known for its beautiful lifestyle, paradise really...and Highland Cabinetry is adding to the quality and affordability of products that are available in these regions. We take pride in both our cabinets and customer service. Our customers are pivotal to us, so we strive to provide the best quality product at an affordable price, and at a head turning turnaround time.

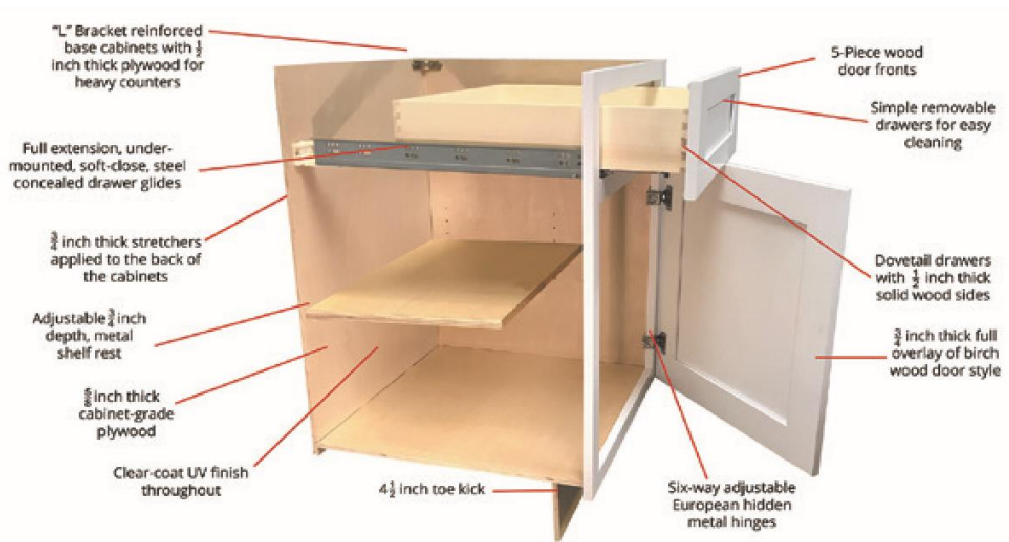

Our designers are ready to assist you to create the kitchen you have always wanted but did not think you could afford. With six available colors and two current styles, we are sure you or your customers will find what you are looking for.

With sister companies across the US, our manufacturer knows what it takes to produce quality cabinets at an affordable price. They take with great care in the production of each style and color. Having been in the cabinet manufacturing business for several years, they are able to manufacture cabinets that work with the different climates in which they are sold and installed.

Whether you want your cabinets assembled by us or intend to do it yourself, we stand ready to provide you with the best possible service. Pickup and delivery options are available. Whatever you need, we will do our best to make your experience with us one that you will remember with satisfaction and a smile.

## How to measure for cabinets

### Directions:

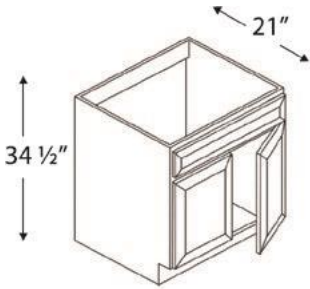

1. Draw your walls out just like the example above. Measuring length & height of all walls needing cabinetry
2. Measurements of all windows, doorways, pass through or any obstructions
3. Dimensions of all appliance are necessary (Fridge, stove/cooktop, microwave, dishwasher etc.)
4. Sink Dimensions and style (drop-in, undermount, farmhouse etc.)
